WANTED: Volunteer Puppy Raisers

"I had the opportunity to see Buckles (my first ADIT Assistance Dog in Training) with his veteran recently. One comment from this young man makes it all worthwhile: 'Life changing.'

To see how a service dog can literally help bring a wounded veteran back to life is one of the most rewarding experiences of my life. So much so, I have returned to VMF to raise another pup.

Rewarding. Challenging. Fun. Repeat."

- Nancy raised Service Dog Buckles
and is now raising ADIT Kirby

VMF needs more Puppy Raisers before we can acquire any more puppies. Spread the word and help us recruit. No experience required. For more details, visit our [volunteer page](#) and review the Frequently Asked Questions in the application packet.
